Water Main Breaks Eastbound Along Routes 29 and Route 7

FALLS CHURCH, VA. – The City is working to repair a water main break along Route 29 at Lee Highway and Fairlee Drive and to repair a separate water main break along Route 7 at Broad Street and Virginia Avenue in the City. Both water main breaks will be repaired within four to six hours.

While Public Works crews are repairing both water main breaks, one lane eastbound along Route 29 at Lee Highway and Fairlee Drive and one lane eastbound along Route 7 at Broad Street and Virginia Avenue will be closed to traffic, with one lane remaining open to allow traffic to flow towards Alexandria.

Both the fire and police departments for the City as well as for Fairfax County have been notified.

More information will be provided on this water main break as it becomes available.
